

# MCF Series Aluminum Process Cassettes

High Performance Wafer Handling Products

**This 150mm or 200mm all T6061 aluminum solid side wall metal cassette is designed for use in place of standard process plastic cassettes. Features include robotic flanges, aluminum wafer support combs and vented screws.**

**For applications  
up to 320° Celsius**

**(for higher temperature applications please  
consider SSC series stainless steel cassettes)**
